

Celebrating the Key Ceremony of our new affordable home!

We are delighted to share some joyful news with you today!

On November 17, 2023, *Del Valle Community Development Corporation*, a subsidiary of Texas National Bank (TNB), hosted a special key ceremony to commemorate the official handover of the keys of our new affordable home located in Edinburg, Texas.

The ceremony was a moment filled with immense joy, gratitude, and unity as we gathered to celebrate this remarkable achievement. It was an honor to have Priest Edouard as the recipient of this beautiful home, symbolizing a blessing for this project.

During the Key Ceremony, TNB's CEO Saul Ortega and President Joe Quiroga expressed their heartfelt gratitude to everyone involved in making this project a reality. They thanked the dedicated subcontractors and PLANAM Construction, whose enthusiasm and commitment to the project were instrumental. Mr. Quiroga also thanked several other special attendees and highlighted the meaningful contributions from Texas Capital Bank and Woodforest National Bank that help make these projects possible. These generous contributions, via downpayment assistance, showcase the power of collaboration in making dreams a reality.

Attendees at the ceremony had the opportunity to take a tour of the beautifully crafted home, relax, mingle, and celebrate this momentous occasion.

Thanks to every one of the attendees for showing your support and appreciation to *Del Valle Community Development Corporation*. Your presence made this occasion even more meaningful and memorable.

We are excited to announce that two more affordable homes are currently under construction, and we can't wait to celebrate their inauguration soon! If you would like to learn more or contribute to this mission, please visit our website and reach out to us.

Thank you once again for being a part of this important initiative by TNB to provide more affordable homes in the RGV. Your support and appreciation mean the world to us.
